RE: United States v. Gary Fuller 6:24-mj-04013-MWP

Dear Judge Payson,

I am respectfully requesting a thirty-day adjournment of the status conference scheduled for October 4, 2024. I began a homicide trial last week which has extended into today and more than likely tomorrow, as such, I am unavailable.

Additionally, upon previous conversations with my client we would not be requesting a detention hearing at this time.

In addition, another basis of my request is to allow time for continued plea negotiation and review of voluminous discovery which we have received. It is my understanding that Mr. Marangola would not oppose this request.

Last, we would request that the time from October 4, 2024, until the next scheduled Court date be excluded in the interest of justice under 18 USC section 3161 based on the fact that the defendant's and the public's interest in a speedy trial are outweighed by the defendant's interest in a pretrial disposition.

Respectfully submitted,
s/Teodoro Sigüenza
